ADVANCED ARABIC GRAMMAR (ARAB 360) FALL 2025 ONLINE

Welcome to the Advanced Arabic Grammar course (Arab 360)! This course is designed to provide Arabic language learners the opportunity to develop their grammar knowledge, build on previously learned vocabulary, and be exposed to a variety of themes in culture and daily life situations. We will explore the language holistically, combining structure and use to gain a contextualized grasp of Arabic grammar. A pre-requisite for this class is Arab 202, or instructor approval.

This is an online, asynchronous class open to students from SDSU and other CSU campuses.
